

CAT5VE-VGA

P/N – CAT5VE-VGA

Specifications:

- Connectors (Base Unit): High Density DB15 Male, High Density DB15 Female and RJ45 Female
- Connectors (Remote Unit): High Density DB15 Female, RJ45 Female
- LEDs: Power
- VGA Resolution: 640x480@60Hz to 130m (430'), 1600x1200@85Hz to 80m (262')
- Signal Type: VGA, SVGA, Multisync
- Cable Type: Category 5 shielded twisted pair (Standard Category 5)
- Max. Cable Distance: 130m (430')
- Dimensions (Base Unit): 4.7 x 3.4 x 0.9 Inches (119 x 86 x 22 mm)
- Dimensions (Remote Unit): 4.7 x 3.4 x 0.9 Inches (119 x 86 x 22 mm)
- Power Consumption: AC 9V 130mA (max.) for base unit, AC 9V 180mA (max.) for remote unit
- Certifications: CE Mark, FCC Part 15
- Power Adapter: 2 x AC 9V (500mA)

Summary:

- JB Connexions ID: CAT5VE-VGA
- Description: Category 5 UTP VGA/Multisync Video Extender
- Category: JB Connexions.com Video Extenders
- Extended Description: Uses standard Cat 5 network cable to extend video signals up to 130m (430')
- Estimated Shipping Weight (lbs.): 3.66

Warranty:

- One Year
