

Enhanced Warranty

SERVICES

Enhanced Warranty for Remote Access Servers provides advance replacements and warranty coverage for 5 full years!

Enhanced Warranty for Remote Access Servers

An Enhanced Warranty for your Patton Remote Access Server is like having your own spare. A replacement unit is shipped by priority express should your hardware experience a failure in the next 5-years! In addition, Patton pays for the return shipping of the defective unit. Let Patton provide you with the added protection and convenience of an Enhanced Warranty.

Compare our standard warranty with our enhanced warranty to see which is right for you. Whichever you choose, as always, you get free support. Additional details can be found at <http://www.patton.com/support>

Advance Replacements
